**We are proud to support  
Walter Payton College Prep**

For more than 30 years, businesses and individuals have turned to the attorneys of Sugar Felsenthal Grais & Hammer LLP as their most trusted advisors. Through an unmatched level of personal service, combined with our business and legal acumen, we continue to represent almost all of the clients we started with in 1981. Since then, our practice has expanded as our clients have grown, deepening our experience and skills to support their business and legal needs. The enduring relationships we enjoy with our clients are predicated on a simple notion:

*We deliver even more than we promise.*
